Dear Mr. President, dear Sergey,

What a terrible news. Me and my members of the presidium are shocked and speechless.

Olga Tabachkova was the very first top athlete from Russia that we learned to know. She was not only a top athlete, but most important she was a warm and charming lady. The time we were allowed to enjoy her company was far too short. It is a great loss, not only for the Russian bowling federation, but also for European bowling.

We wish her family and friends a lot of strength to handle the pain they suffer now. May Olga rest in peace. She stays for ever in our hearts.

Regards

Addie Ophelders
