Press Conferences

Sufficient space for press conferences will be provided after the conclusion of each discipline and/or when necessary.

Result Services

The latest technology will be in use both for the press officials and for accumulation and presentation of scores and standings. Scores will be shown in the venue on appropriate display units. Online results will be available as well.

Bus and Air Services

All delegations of the championships staying in one of the 3 host hotels will be met in the Lincoln Municipal Airport. Similar service will be provided for departures. If you choose to make the Eppley Airfield in Omaha, Nebraska your final flight destination then the host will arrange ground transportation from Omaha to the host hotels and return; the distance is approximately 90 kilometres. The cost will be reasonable, and may be zero. **We understand from recent correspondence that some air flights are getting expensive, particularly for those flying directly from Chicago to Lincoln. Please consider Omaha as an option, there are more flights and it should be cheaper. It is one hour by van, the host will provide this service FREE for all registered athletes, administrators, coaches and supporters (Transportation will NOT be provided for unregistered supporters).**

Equipment Storage

Ball Park in the bowling centre will be used to store the equipment. A secure system for storage will be in place. There will be an easy and short distance from Ball Park to the lanes.

Farewell Banquet

The banquet will be held on August 2 in the evening at a location to be decided. Transportation from the official hotels will be provided for all registered members of delegations if the Banquet venue is not within walking distance of the official hotels.

Lane pattern

As of January 1, 2016 only one pattern will be used for all disciplines in the championship. The lane pattern category **(long) was announced before** 24 April, 2016.

The selected pattern within that category will be announced at the Team Managers meeting on July 24, 2016.
