## **World Junior Championships 2019: Preliminary Bulletin**

WORLD BOWLING and the France Tenpin Bowling Association proudly present the World Junior Championships 2019 Preliminary Bulletin for WORLD BOWLING member federations.

The World Junior Championships 2019 will be hosted by the World Bowling, France Tenpin Bowling Association and Plaza Saint Maximin.

### **Eligibility to participate**

Only players **born on January 1, 2001 - December 31, 2005** are eligible to participate in the 2019 World Junior Championships.

We realize this is very short notice to you, our members. We apologize for that. Initially the WJC would be scheduled for May/June 2019. It is World Bowling's intent to prepare and schedule a temporary Finals as part of the 2024 Paris Olympic Games effort. Last week, the IOC announced that the Paris 2024 additional sport choices would be expected as early as April 1, 2019. Therefore it is necessary to move up the schedule to last day of arrival on March 16 to departure day on March 24, 2019 with the installed-lane Finals within Paris on or about March 23.

Bulletin # 1, with substantial additional information and a preliminary schedule, will be released within the next 10 days.
