

In memoriam Kim Thorsgaard Jensen

Published on 4 March 2019 by Addie Ophelders

Vice President of the ETBF, Kim Thorsgaard Jensen passed away on Tuesday 26 February 2019 at the age of 62.

He joined our Presidium in 1997 when he was elected in Nottingham, UK. In 1999 Kim was elected as vice president.

It is almost impossible to mention all his valuable contributions to ETBF and to World Bowling. Kim created in 2000 the European Bowling Tour and it has been growing ever since. He was also the driving force behind all our European Championships and Tournaments.

We thank our dear friend for everything he did for our sport and we also thank him for his friendship.

We will miss Kim a lot in the ETBF Presidium: in our daily business, at our meetings and at our events.

We wish his daughter, son and family a lot of strength to carry this enormous loss.

We also like to thank our member federations for the heartwarming responses to this tragic loss.

May he rest in peace!

Addie Ophelders
President ETBF
