## WELCOME TO VIENNA

esbc esbc esbc esbc esbc esbc esbc esbc esbc esbc

Welcome to the 27th European Senior Bowlers Championships 2018 in Vienna, Austria

Dear bowling friends, guests and members of the Organizing Committee,

A warm welcome to all of you to the 27<sup>th</sup> European Senior Bowlers Championships in Vienna.

It is the third time that Vienna is hosting the ESBC European Champions. The first time was in 2002 and the second time was in 2010. Everyone knows that Vienna is the capital and the largest city of Austria, with over 1,8 million inhabitants. A city that hosts many international organizations, including the OPEC and the United Nations. Apart from being regarded as the City of Music because of its musical legacy, Vienna is also said to be "The City of Dreams" because it was home to the world's first psycho-analyst – Sigmund Freud.

The historic centre of Vienna is rich in architectural ensembles, including Baroque castles and gardens, and the late-19th-century Ringstraße lined with grand buildings, monuments and parks. There are lots of places to visit when you are not bowling.

During these championships there are going to be three bowling centres: Cumberland Bowling & Sportcenter, Kugeltanz Bowling & die Allee Restaurant (Prater) and Plus Bowling.

On the website <http://www.oeskb.info/esbc2018>, there will be updates for the events and the schedules and of course the results during the EC.

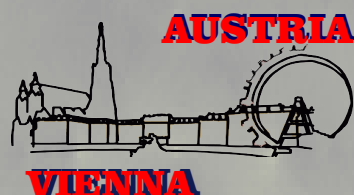

This year the organizing committee had lots of problems, with hotels that raised the rates, a bowling centre (Hernals) that was not available after all, due to technical problems. Deadlines had to be postponed and the information to all the countries has never been this late in the existence of ESBC.

The ESBC presidium is convinced that everyone involved in the organization of these European Championships will do their utmost to make this edition a success and that all of you can enjoy a nice time in Vienna.

We hope you will visit the 27th European Senior Bowlers Championships in good health, will have a magnificent time and high scores and are looking forward to meet you all

Kind regards,

Lia Fievet,  
president ESBC

The president of the Viennese Tenpin Bowling Federation, member of the Organizing Committee, welcome you all to the 27th ESBC tournament.

I will thank all the participants, till 1100 players and guests, to come to Vienna, after a hard year of preparation.

Till the end of 2017 it was not clear to host the ESBC 2018, because one of the Bowlingcenter with 32 lanes was not ready for the tournament in coordination with the rules of the ETBF and we cancel this center for ESBC 2018.

Now we play in 3 Bowlingcenter with 76 lanes and we are very proud to fulfill the requirements.

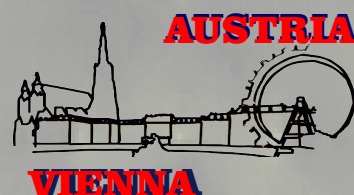

Vienna in the past time was the focus of many European Championships, and also the special gold level tournament „Vienna Open”.

Vienna is all the year long valuable to visit, with his imperial monuments and gardens.

The weather will be better than 2010, we hope so, to sit together in a beautiful garden, enjoy the perfect food and wine.

We are really happy to welcome you all in Vienna. Enjoy the tournament and think all the time: "nothing is out of reach"!

Christian Koerber

### **Preface by Peter Hacker, councilor of sport - Vienna**

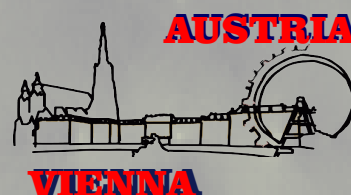

In the past decades the Austrian capital has made a remarkable upswing as a place of international meetings: Vienna is not only one of the three UNO-headquarters, headquarter for many international organisations and institutions and one of the leading cities for conferences in the world.

But Vienna has also become renowned as a city of sports, as sport has tremendous importance for the Viennese politics, which is being reflected by many efforts in this way, e.g. the Beachvolleyball World Championships 2017.

As responsible city councillor for sports I am therefore very glad, that the biggest European bowling event, the European Senior Bowling Championships, will take place in Vienna in June 2018 again, after being already successfully organized by the Austrian and the Viennese Bowling Federations in 2002 and 2010.

I want to give a very warm welcome to all the players and the accompanying guests from 27 countries, who have come to our beautiful city. I wish all the best to the organizing committee of the European Senior Bowling Championships 2018, exciting competitions for the audience and to the players the best success possible. Enjoy these days in Vienna and we hope you will remember them well for a long time.

**Peter Hacker**
