

27. ESBC 2018

23.06.- 30.06.2018 Vienna

Dear Members, dear presidium,

First of all we apologize that the tenders have been completed so late and today we send you the **important** information first.

In summer we started with a new situation, if Plus Bowling will go on or not. In the meantime, we organized the ECC 2017 in autumn with our best work ever. During the presidium visit in Vienna, March 2017 the bowling center Prater was built new in this beautiful area, and the other center Hernalds, they have the same owner, was to repair completely. We wait till the summer, the autumn, during the Viennese Champion ship starts without Hernalds Bowling Center. Till the end of November, many worker, and companies did their best, but we cannot play a European ESBC 2018 in Hernalds. with 1000 players.

So our work was stopped. Thomas Tybl makes new plans in three centers. So we can guarantee lanes for 1000 players, see lane plan later, in the normal time 09:00 till 24:00.

The correction Bulletin will be ready soon and we send it to you. Also the homepage of the Esbc 2018 starts with January with last information till the tournament will start.

The deadlines where today, so we send the information you need.

We hope to see you again in Austria.

Best regards
Christian Koerber

WELCOME TO VIENNA

Welcome to the 27th European Senior Bowlers Championships 2018 in Vienna, Austria

Dear bowling friends, As president of ESBC I am very pleased to write some words for the bid book of the 27th European Senior Bowlers Championships in Vienna.

It will be the third time we visit Austria in Vienna. The first visit was in 2002 the second in 2010 and 8 years later we will hopefully visit this town again.

Because Vienna is very central in Europe we expect many players and guests from all parts of Europe. In 2010 there were 960 players playing, so the organizing committee has experience with large numbers of players. It might go to the limits the organizing committee can have in all bowling centres.

The organizing committee must provide enough bowling lanes as well as good hotels or other accommodations. But there is a limit. I want to thank the organizing committee for their hard work and many hours they spend already to organize these championships.

The ESBC presidium has visited Vienna in March 2017 to inspect all bowling centres and hotels and to verify that they will be up to the standards for the championships.

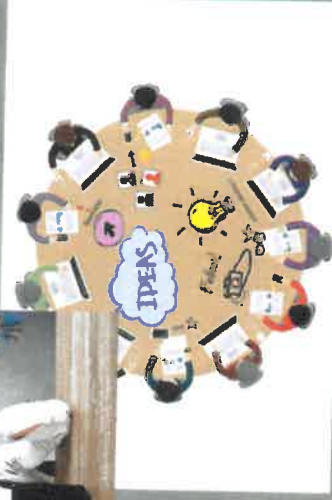

There still is much work to do, so is the transport through Vienna a difficult task, in the rush hour it will take longer to get for A to B. But Vienna is a beautiful city with lovely old buildings, great museums and shops. For the lovers of beer, wine and good dining you are in the right place!!

The ESBC presidium is sure the organizing committee will do its utmost to fulfil the European Championships to an excellent standard. We hope you will visit the 27th European Senior Bowlers Championships in Vienna, Austria 2018 and we will all meet again in the bowling centres, with beautiful weather, magnificent food, wine, beer and hospitality in a lovely atmosphere!!

Best regards,

Paul Douw, president ESBC
